

## Library Basics in Korean

**Location:** Asia Library Conference Room, 421A, [Hatcher Graduate Library](#) [2]

**Description:** This workshop is for international students and scholars who speak Korean and for researchers looking for library resources in the Korean language. Gain insight into the resources and services available and strategies for efficiently finding information for your research projects. Join our Korean Studies Librarian as the questions below are explored:

- Where do I find a good book to read at UM?
- What kind of technology help can I get at the library?
- How can I find scholarly books and articles?
- What are some of the research tools the library provides that may help me with my research?

**Presenters:** Yunah Sung and Gabriel Duque

**Registration:** Please [register here](#) [3].

This session will be conducted in Korean with some sections in English and is co-sponsored by the International Center and the U-M Library.
