Two Years?! (11/15)
Have you considered Peace Corps, but are nervous about spending two years away? You're not alone!
Join the Peace Corps Prep team for an informal discussion to talk with other students and Returned Peace Corps Volunteers about it. We'll process the nerves and excitement, share stories, and provide coping strategies in order to help you prepare for what it would be like to live in another country for an extended period of time.

Addressing Family Concerns (11/22)
Thinking about joining the Peace Corps, but want some strategies to talk to your family about it? Come chat with the Peace Corps Prep team, other students, and Returned Peace Corps Volunteers. We'll take time to share some concerns and talk through how to discuss Peace Corps with your family.

Peace Corps & Your 5 Year Plan (12/6)
Peace Corps can set you up for great opportunities post service. Whether you're thinking about grad school, jobs, or starting a career abroad, Peace Corps may help get you there. Come join the Peace Corps Prep team, other students, and Returned Peace Corps Volunteers to informally discuss how Peace Corps can fit into your 5 (or more) year life plan.
If you'll be joining us, please RSVP here [2].
