Virtual International Student Lunch Conversation

**Date and Time:**
Thursday, April 9, 2020 - 12:00pm to 1:00pm

**Location:**
BlueJeans

**Description:** The International Student Lunch Conversation is going virtual! This is a casual time and space for international students to connect with each other and talk about life as an international student in the U.S. and at U-M. We will inform you of the current services the IC and Counseling and Psychological Services (CAPS) are offering, resources for your mental health, and more, but students are also open to bring their own topics of conversation. Don’t forget to bring your lunch!

This Lunch Conversation is co-sponsored by CAPS.

**RSVP Here** for more information and the Blue Jeans link.
