2 years?! A returned Peace Corps Volunteer Conversation

**Date and Time:**
Thursday, July 9, 2020 - 1:00pm to 2:00pm

**Description:** The length of Peace Corps Service can be intimidating. The thought of committing 2 years of your life to service in another part of the world can be scary. Yet, 2 years of service is important and necessary to be an impactful volunteer and to develop meaningful relationships with the community you serve. During this virtual session, you will hear from returned Peace Corps Volunteers about their concerns of the time commitment prior to departure.
