Term Break Closing Notice

The International Center will be closed from Wednesday, December 23, 2020, through Friday, January 1, 2021, for the Term Break, and will re-open on Monday, January 4. In an emergency (for example, you have been in an accident or are being detained at the border), contact the University of Michigan Police Department [1] at 734-763-1131 for assistance. Our hours of on-site and remote operation before the Term Break and during the Winter Term are posted at International Center Hours [2].

F-1 and J-1 students and scholars: see Re-entry to the U.S. [3] for information about the documents you will need to re-enter the United States. If you do not have all of your required travel documents, you may be directed to secondary inspection [4] or may receive a Form I-515A [5] when you try to re-enter the United States. Form I-515A allows you temporary admission into the US. If you do receive Form I-515A, please visit the International Center and speak with an advisor [6] when the International Center reopens in January. To maintain your nonimmigrant student status, you must submit the required documentation listed on your I-515A to SEVP within 30 days. We recommend that you keep a copy of each document before mailing the original to SEVP.
