Concurrent Enrollment for F-1 Students

F-1 students are eligible for simultaneous enrollment with a combination of courses at U-M and another college or university, only if approved by the U-M International Center. *Source: 8CFR:214.2(f)(6)(iv)*

- Students must be registered for at least one credit at U-M during all terms including the final term
- Students who wish to be admitted, enroll, and go to classes full time at an institution other than U-M need to request a transfer to the new institution.

**Eligibility Requirements**

An F-1 student at U-M may apply to enroll concurrently at U-M and another SEVIS-approved school provided that all of the following conditions are met:

- The combined credits for which the student is enrolled are the equivalent of a full course of study (i.e., undergraduates = 12 credits, graduates = 8 credits).
- The student must be enrolled [taking classes] at U-M. U-M must issue and maintain the SEVIS I-20, handle all SEVIS reporting requirements, and ensure that the student is pursuing a full course of study.
- The student has permission from an International Center advisor to concurrently enroll with U-M and another institution.
- Course work at the other school may not be vocational and must be accepted as credits transferable to U-M. This must be confirmed by a letter from an academic advisor (not a departmental secretary or administrator) at U-M.
- The U-M International Center will issue a new I-20 documenting the concurrent enrollment, based on evidence that the student's enrollment in both institutions is the equivalent of a full course of study (i.e., undergraduates = 12 credits, graduates = 8 credits).
- The name of the other (concurrent) school where you are enrolled must be clearly recorded in the remarks section (page 1, item 9) of your I-20.

**How to Apply for Concurrent Enrollment**

Concurrent enrollment is approved one term at a time. This procedure must be followed for each term of concurrent enrollment.

1. Make an appointment with an International Center advisor.
2. Bring the following documents with you to your appointment:
   - Letter from your U-M department academic advisor, indicating that you have permission for this enrollment and that the credits earned at the other school will be counted toward your degree at U-
M. The letter must also indicate the number of credits to be taken at each school.
- Proof of registration in classes from the concurrent school, indicating that you are enrolled.
- Copy of both pages of your latest I-20.
- Copy of paper or print-out of electronic Form I-94 [1] (please click on the link for instructions).
- Copy of your U-M unofficial transcript. You may download your unofficial transcript from Wolverine Access [2].

3. The U-M International Center advisor will review your documents and determine whether to approve your application or not. If approved, you will be issued a new I-20 with concurrent enrollment information included on page 1 in the remarks section. You will receive an email to let you know that your new I-20 is ready to be picked up in 7-10 business days.

**NOTE:** A student wishing to be a guest student at another institution for incidental courses while maintaining full-time enrollment or during the Spring/Summer term does not need to be issued an I-20 for concurrent enrollment.
