Express Mail Through eShip Global

- Requesting your immigration documents through express mail is at YOUR expense and your credit card will be charged upon requesting the service.
- You may request shipment either to your foreign address, or to a U.S. address.
- If your requested documents will be sent to a U.S. contact address, please include the name of the person who lives at that address.
- You must use the Web site provided below – do not go through DHL or FedEx directly.
- To request express mailing of your documents, go to the following eShip Global Web site.
  - [https://study.eshipglobal.com](https://study.eshipglobal.com)
  - Click on the “Sign Up” button under the Students Section.
  - Under "Department Selection," make sure to select the International Center as this is where your documents will be shipped from.
  - **You must fill in the “Reference/Comment" field with the name of the documents you are requesting** (i.e. I-20 Travel Signature).
- Depending on the document you are requesting, processing time may be up to 10 business days, from the date your request is approved until the day your document is shipped. Shipping time estimates provided by eShip Global reflect how long the document is expected to be in transit from the time it is mailed.
- If your mailing address changes after the time you first enter your information into eShip Global (i.e. you want your document sent somewhere else), you must log in again to make the update.
