Fees and Checks

Department Responsibility

- Departments are responsible for paying the USCIS filing fees and U-M International Center processing fees associated with an immigrant or nonimmigrant petition.
- If the department requires a quick decision from USCIS, the department is responsible for paying the USCIS expedited processing fee.
- Departments must pay the U-M International Center case processing fee by University shortcode. The USCIS filing fee must be paid by U-M check made out to Department of Homeland Security and sent to the U-M International Center. Specific instructions will be provided at the point a department submits a case request.
- In the case of a cancelled request, FSIS may issue a partial refund of the IC processing fee. The amount of the refund depends on at what stage the request is cancelled.

Foreign National Responsibility

- Foreign national employees are responsible for paying USCIS filing fees associated with their dependents, and may pay this fee by personal check, certified check, or money order made out to Department of Homeland Security. The hiring unit may elect to cover this cost.
- If the foreign national elects USCIS expedited processing for his/her own (non work-related) convenience, s/he is responsible for providing a personal check to cover the fee.
- The foreign national is responsible for paying the fees related to the visa application at the U.S. consulate.

Fee Schedule for Employment Based Visas

- Effective 12/23/16, several USCIS fees increased. The amounts below reflect these new, increased rates
- On 8/31/18, USCIS announced [1] that, effective 10/1/18, the fee for Premium Processing would increase from $1,225 to $1,410. All petitions postmarked on or after 10/1/18 will need to include the new fee.
