

After You Return

- Attend [events](#) [1] to stay connected with international community on campus
- Join [International Student Associations](#) [2]
- Visit [Career Services Offices](#) [3] to identify and articulate the transferable skills you have gained
- Become a facilitator for [English Language Institute Conversation Circles](#) [4]
- Attend the [International Career Pathways](#) [5] to find out more about work abroad opportunities
- Apply for a student staff position at education abroad offices on campus through [Student Employment Office](#) [6] website.
- Write about your experience and submit your article to websites devoted to sharing student's stories from abroad. Some examples include [Transitions Abroad](#) [7] and [Matadoru Travel Media School](#) [8].
- Consider reviewing study abroad program on the study abroad review website, [Abroad101](#) [9].
