After You Return

- Attend events [1] to stay connected with international community on campus
- Join International Student Associations [2]
- Visit Career Services Offices [3] to identify and articulate the transferable skills you have gained
- Become a facilitator for English Language Institute Conversation Circles [4]
- Attend the International Career Pathways [5] to find out more about work abroad opportunities
- Apply for a student staff position at education abroad offices on campus through Student Employment Office [6] website.
- Write about your experience and submit your article to websites devoted to sharing student's stories from abroad. Some examples include Transitions Abroad [7] and Matadoru Travel Media School [8].
- Consider reviewing study abroad program on the study abroad review website, Abroad101 [9].
