

Mandatory Immigration Check-in for Students

Due to the on-going COVID-19 pandemic, the Fall Term 2021 Mandatory Immigration Check-in for Students will be a virtual check-in. You can complete your check-in by (1) enrolling in and successfully completing the International Center's Fall Term 2021 Check-in Course, and (2) submitting scanned copies of your immigration documents. The course explains which document copies are required and how to submit them.

- If you have not yet arrived in the U.S., wait to check in until you arrive.
- New students who have arranged to study remotely during Fall Term 2021, or who plan to come to U-M for a future term, such as Winter Term 2022, should not check in. In that case, your SEVIS record will not be activated, and therefore, an immigration check-in is not required.
