

Shipping Options

If you are unable to pick-up documents at the U-M International Center, there are two options available to you. Select one of the methods below.

- [Express Mail \(eShip Global\)](#) [1] (*recommended*)
 - Express Mail (eShip Global) is the preferred method and is a discounted online service. You will need a UMID to create an account and you will be charged for this service. Failure to fill in your requested documents will make it impossible to ship.
- [U.S. Mail Shipping Information Sheet](#) [2] (*not recommended*)
 - Regular First Class U.S. Mail is not recommended, is for U.S. addresses only, and there is no charge.
