

Navigating the U.S. Job Search (for International Students)

Description: Do you plan to work in the United States after finishing your degree? This program is designed to help international students maximize their chances of finding employment in the U.S. We'll discuss how to put together an effective job search, provide an overview of immigration regulations pertinent to international students, and highlight some of the many resources and services available in the University Career Center.

Register for the virtual presentation via [Handshake here](#) [2].

This workshop is co-sponsored by the [University Career Center](#) [3] and the International Center.
