Description: This orientation workshop is designed for all U-M international employees (including international students who will work for U-M), and for students who will receive fellowships that pay for living expenses (not just tuition.)

Before you start work, you will be asked to fill out a number of forms, including Internal Revenue Service (IRS) Form W-4, State of Michigan Form W-4, the "Alien Certificate", and perhaps other forms if your country has a tax treaty with the United States.

During this workshop, a representative from the U-M Payroll Office will explain how to fill out these forms so that you can be sure you are filling them out correctly. The Payroll Office representative will also explain the tax-related documents that you as a U-M employee can expect to receive from the Payroll Office and when you can expect to receive them. The workshop will conclude with a brief introduction to the ITIN (Individual Taxpayer Identification Number) and an explanation of who does and does not need to apply for the ITIN.
