Returned Peace Corps Volunteer Discussion: Public Health

**Date and Time:**
Thursday, January 24, 2019 - 5:00pm to 6:30pm

**Location:**
School of Public Health

**Room:**
2695 (SPH1)

**Description:** In many countries, Peace Corps Volunteers work with their local communities to promote important topics such as nutrition, maternal and child health, basic hygiene and water sanitation. As a Peace Corps Volunteer working in the Health Sector, you may:

- work in developing HIV/AIDS education and prevention programs
- train youth as peer educators
- provide support to children orphaned by disease

Join us at this Returned Peace Corps Volunteer discussion to learn about Volunteer experiences, ask questions about service, and gain tips to guide you through the application process.
