## Dangerous English

### Location:

Munger Graduate Residences (540 Thompson Street)

### Room:

Multipurpose Room

[1]

**Description:** Do you feel anxious when you are speaking to native English speakers because you do not know which words or phrases are offensive or "politically incorrect"? We will cover some common "dangerous" English words or phrases. We will talk about when to use and when not to use certain words, "dangerous" pronunciation of words, common double meanings of words, as well as the meanings of some non-verbal gestures.

This workshop is cosponsored by the International Center and Munger Graduate Residences.
