Friday Forum at the International Center

Date and Time:
Friday, November 30, 2018 - 11:00am to 12:00pm
Friday, December 21, 2018 - 11:00am to 12:00pm

Location:
International Center

Room:
Conference Room

Description: IC advisors will provide updates on any changes to immigration regulations or procedures that affect F-1 and J-1 students and scholars. They will also answer questions about a number of topics in the news, including the "travel ban," "unlawful presence," and changes in the way the government is processing requests.

After that, there will be some time for informal conversation (and cookies!) with other international students and scholars and with IC staff.
