

Peace Corps & optiMize Mentor Event

Location:

Shapiro Undergraduate Library

Room:

Innovate Blue Space

Description: During this event, Returned Peace Corps Volunteers will serve as mentors to their optiMize undergraduate Social Innovatoin Challenge teams. Student teams will present their project ideas and mentors will provide advice, support, and feedback to teams on challenges they may face in their social impact project. RPCVs will have the opportunity to share about their service experience and do some interactive role-playing with student teams about challenges they will face when doing social engagement work in communities around the world.
