

Eligibility

Any current UM undergraduate student is eligible to apply for the Peace Corps Prep program. In order to earn the certificate, students will need to meet all [Program Requirements](#) [1].

While the Peace Corps Prep program can be completed by any student that meets the [Program Requirements](#) [1], it is important to note that Peace Corps applicants must have US citizenship.

Starting in Fall 2020, the Peace Corps Prep [application \(available on M-Compass\)](#) [2] will be open throughout the academic year and applications will be reviewed and accepted on a rolling basis!

We hope to meet you this Fall!
