Program Requirements

The Peace Corps Prep program is designed to prepare undergraduate students for international service in a program such as the Peace Corps. In order to successfully prepare for such work, students are required to fulfill requirements of four different competencies: work sector, language, intercultural competence, and leadership. See below for an overview of the requirements, or consult the student guide [1] for more detailed information.

1. **Work Sector Experience:** This competency involves both coursework and fieldwork experience, related to one of the six following Peace Corps work sectors: Education, Health, Environment, Agriculture, Youth in Development, or Community Economic Development.

As the work sectors vary greatly, there are different requirements for each. See below for more information on how to fulfill the requirements of your chosen work sector:

**Education**

- Take three courses from one of the following areas:
  - Elementary, Secondary or Special Education: Any EDUC courses
  - English: Any ENGLISH courses
  - Linguistics: Any LING courses
  - Math: Any MATH courses
  - Computer Science: Any EECS courses
  - Astronomy: Any ASTRO courses
  - Biology: Any BIOLOGY courses
  - Biophysics: Any BIOPHYS courses
  - Chemistry: Any CHEM courses
  - Geography: Any GEOG courses
  - Molecular, Cellular and Developmental Biology: Any MCDB courses
  - Microbiology: Any MICRBIOL courses
  - Physics: Any PHYSICS courses
  - ELI 390: Community-Engaged Learning in ESL Teaching Contexts
  - ELI 391: Topics in ESL: Fundamentals in Teaching English as a Second Language Internationally

- Build a minimum of 50 hours of related field experience through an activity such as teaching in a classroom, with a community outreach organization, or in a formal tutoring capacity. The subject of the teaching may be English as a Foreign/Second Language, special education, drama, or a STEM subject.
You may consider the following opportunities:

- There are several volunteer opportunities available through the Ginsberg Center [2] on campus. In collaboration with schools, community centers and other partners, you are able to support literacy development through America Reads [3], a program that provides paid opportunities for U-M students to tutor students in Detroit and Ypsilanti through the work-study program.
- rEDesign [4] is a group of University of Michigan students who design and implement innovative projects, programs, and events to better the public education system.
- Volunteer to be a facilitator with Conversation Circles [5], which are weekly, one-hour meetings run through the English Language Institute [6] (ELI).
- EDUC 390 [7]: Community Engaged Learning in ESL Teaching Contexts: This course is an opportunity to receive training and supervision in teaching English as a Second Language and then assist in a local ESL classroom or tutoring program for at least four hours per week or 48 hours during the academic term.

**Health**

- Take three related courses from one of the following areas:
  - Nursing: Any NURS courses
  - Anatomy and Cell Biology: Any ANAT courses
  - Biology: Any BIOLOGY courses
  - Environmental Sciences and Engineering: Any ENSCEN courses
  - Health and Fitness: Any HF courses
  - Health Sciences: Any HS courses
  - Molecular, Cellular and Developmental Biology: Any MCDB courses
  - Movement Science: Any MOVESCI courses
  - Physiology: Any PHYSIOL courses
  - Public Health: Any PUBHLTH courses
  - Psychology: Any PSYCH courses
- Build a minimum of 50 hours of related field experience through an activity such as: volunteer or work experience in such areas as HIV/AIDS outreach, hospice, family planning counseling, emergency medical technician (EMT) or CPR teaching/certification, maternal health, and hands-on caregiving in a hospital, clinic, or lab technician setting; counseling or teaching in health subjects; working as a resident advisor in a dormitory, as a peer nutritionist, or as a sexually transmitted infections counselor; significant experience in mechanical repairs, construction, carpentry, masonry, plumbing, hydrology, or set design. You may wish to consider the following opportunities:
  - Michigan Health Engineered for All Lives (M-HEAL [8]), a student organization that fosters interdisciplinary work in global health, design and entrepreneurship through interactive workshops and volunteer opportunities to support teams as they develop health care solutions to work with international partners abroad.
  - The U-M Minority Health and Health Disparities International Research Training Program (M-HIRT [9]), is an all-expenses paid program that provides students the opportunity to engage in important and interesting research overseas on issues related to health disparities.
  - The Design for Global Health Academic Program [10] addresses global health challenges through clinical immersion worldwide and design coursework on campus. Students in this program have performed design ethnography in hospitals in Ghana, Ethiopia, Nicaragua and China.
  - Volunteer with University Health Services [11] or with Michigan Medicine [12].
  - Volunteer through the U-M Spectrum Center [13].
- Volunteer through the Sexual Assault Prevention and Awareness Center (SAPAC) on campus through the Bystander Intervention and Community Engagement Program or Peer Educator Program.
- American Medical Student Association provides volunteer opportunities to expose members to the medical field.
- There are opportunities through several non-profits in the area including:
  - Alzheimer’s Association, Michigan Great Lakes Chapter
  - American Cancer Society
  - American Diabetes Association
  - Arbor Hospice
  - Therapeutic Riding Inc.
  - Veterans Affairs Ann Arbor Hospital
  - Ronald McDonald House Charities of Ann Arbor
  - Cancer Support Community
- Unified

**Environment**

- Consider a Sustainability minor or Environment minor, or, take three related courses from one of the following areas:
  - Atmosphere, Oceanic and Space Sciences: Any AOSS courses
  - Biology: Any BIOLOGY courses
  - Earth and Environmental Sciences: Any EARTH courses
  - Ecology and Evolutionary Biology: Any EEB courses
  - Environment: Any ENVIRON courses
  - Natural Resources: Any NRE courses
- Build a minimum of 50 hours of related field experience through an activity such as educating the public on environmental/conservation issues, or working on environmental campaigns; conducting biological surveys of plants or animals; gardening, farming, nursery management, or landscaping; or providing technical assistance and training in natural resource management. You may consider the following opportunities:
  - The U-M Student Sustainability Initiative coordinates a wide range of sustainability-related student groups on campus.
  - Sustainability without Borders is a student-group sponsored by the Center for Sustainable Systems at the U-M’s School of Natural Resources focused on building a network of sustainability practitioners who develop and implement environmentally, socially and economically sustainable projects.
  - There are opportunities through several local non-profit organizations including:
    - The Ecology Center
    - Growing Hope
    - Leslie Science and Nature Center
    - City of Ann Arbor Natural Area of Preservation
    - Project Grow Gardens
    - Ann Arbor Parks and Recreation
    - Huron River Watershed Council
Agriculture

- Consider a Sustainable Food Systems minor [37], or take three related courses from one of the following areas:
  - Biology: Any BIOLOGY courses
  - Business Administration: Any BA courses
  - Business Economics and Public Policy: Any BE courses
  - Economics: Any ECON courses
- Build a minimum of 50 hours of related field experience through an activity such as working in gardening, farming, nursery work, tree planting, urban forestry, landscaping, livestock care, or fish cultivation and production; teaching or tutoring the public in environmental or agricultural issues/activities; or working on the business management or marketing side of a commercial farm. You may consider the following opportunities:
  - The U-M Sustainable Food Program [38] (UMSFP) fosters collaborative leadership that empowers students to create a sustainable food system at U-M. The UMSFP has a student-led leadership team, advisory board, member groups, and The Campus Farm [39] at University of Michigan Matthaei Botanical Gardens and Nichols Arboretum [40]
  - School for Environment and Sustainability [41] offers a listing of opportunities.
  - The STAMPS School of Art and Design offers a course: Design Build Studio: Shelter (Detroit) [42] that partners with Neighbors Building Brightmoor (NBB) to give you the opportunity to design and build structures that support and expand your local food system.
  - There are a number of opportunities through local non-profit organizations including:
    - Food Gatherers [43]
    - Growing Hope [31]
    - Ann Arbor Project Grow Gardens [44]
    - The Farm at St. Joe’s Hospital [45]
    - Dyer Family Organic Farm [46]

Youth in Development

- Obtain the Community Action and Social Change (CASC) [47] minor, or take three related courses from one of the following areas:
  - Cognitive Science: Any COGSCI courses
  - Psychology: Any PSYCH courses
  - Organizational Studies: Any ORGSTUDY courses
  - Social Work: Any SW courses
  - Sociology: Any SOCIOLOGY courses
- Build a minimum of 50 hours of related field experience through an activity such as teaching or counseling in at-risk youth programs or engaging in activities that involve planning, organizing, assessing community needs, counseling, and leadership, in areas such as education, youth development, health and HIV/AIDS, the environment, and/or business. You may consider the following opportunities:
  - Through PSYCH 211 Project Outreach [48], work directly in communities to address community needs.
  - Students studying Spanish can enroll in RCLANG 304-PALMA Spanish in the Community [49] in order to work as tutors for youth in the Latinx community enriching their process of language acquisition and cultural exchange.
- THREMUS 334/RCCORE 334-The Atonement Project, students conduct art workshops in prisons, juvenile facilities and community settings.
- There are several volunteer opportunities with local non-profit organizations including:
  - 826 Michigan
  - Ozone House
  - The Neutral Zone
  - Big Brothers Big Sisters of Washtenaw County
  - Ann Arbor Hands On Museum
  - Girls on the Run
  - Peace Neighborhood Center

Community Economic Development

- Obtain a Program in International and Comparative Studies (PICS) minor, or, take three related courses from one of the following areas:
  - Accounting: Any ACC courses
  - Art and Design: Any ARTDES courses
  - Business Administration: Any BA courses
  - Business Communication: Any BCOM courses
  - Business Economics and Public Policy: Any BE courses
  - Business Law: Any BL courses
  - Business Abroad: Any BUSABRD courses
  - Computer Science: Any EECS courses
  - Communication Studies: Any COMM courses
  - Economics: Any ECON courses
  - Entrepreneurial Studies: Any ES courses
  - Finance: Any FIN courses
  - Management and Organizations: Any MO courses
  - Organizational Studies: Any ORGSTUDY courses
  - Information: Any SI courses
  - Technical Communication: Any TCHNCLCM 215 courses
  - Technology and Operations: Any TO courses

- Build a minimum of 50 hours of related field experience through an activity such as working with businesses or organizations in accounting, finance, management, budgeting or marketing; starting and running your own entrepreneurial activity; training others in computer literacy; website design; or working in publishing. You may consider the following opportunities:
  - Global Initiatives at U-M’s Ross School of Business offers global business opportunities such as international internships and semester exchange programs for undergraduate students.
  - Semester in Detroit, which provides an opportunity to engage with community members in the city of Detroit through a number of courses and internship opportunities.
  - PSYCH 217: Community Research, an internship opportunity with a community based organization in Detroit. Through this course, students learn research methodologies useful in understanding communities.
  - SOC 489-Organizing: People, Power and Change is a course focused on understanding the roots of social problems and how to become effective in addressing them. This course includes an opportunity to intern for 10 hours a week with a local non-profit organization engaged in social change work through organizing.
- **ARTDES 314.1 Change By Design** [63] is a course through the Stamps School of Art and Design that works with the Detroit Community Schools [64] to co-create social impact through design and entrepreneurship.
- U-M’s Ross School of Business hosts over 70 student organizations [65].
- There are a number of volunteer opportunities through local non-profit organizations including:
  - All Hands Active [66]
  - United Way [67]
  - Washtenaw Literacy [68]
  - Community Action Network Ann Arbor [69]
  - Ten Thousand Villages [70]

2. **Foreign language skills:** This competency requires the completion of at least two language courses. The following considerations must be made in fulfilling this competency:

   - For those who wish to serve in Latin America: In order to be a competitive applicant for Spanish-speaking countries, take at least two 200-level courses in Spanish
   - For those who wish to serve in French-speaking West Africa: Take at least one 200-level course in French
   - For those not planning to serve in a Spanish or French speaking country: Any two foreign language courses may be used to fulfill this requirement!

3. **Intercultural competence:** For this competency, students must take three courses related to intercultural competence.

   - At least one course must be from the core course list:
     - AAS 268: Community Collaborations: Race, Social Justice and Engaged Learning
     - AMCULT 321/PSYCH 325: Practicum in the Multicultural Community
     - ENGR 260: Engineering Across Cultures
     - PSYCH 122/ SOC 122/ ALA 122: Intergroup Dialogues
     - PSYCH 211: Project Outreach
     - PSYCH 310/UC 320/ SOC 320/ ALA 320: Processes of Intergroup Dialogues Facilitation
     - SOC 218/ UC 218/ ALA 220: Foundations of Intergroup Relations
     - SOC 325: Sociology of Service Learning
     - UC 178: Global Understanding
     - UC 275: UC Global Intercultural Experience for Undergraduates
     - UC 285: Introduction to Intercultural Study
     - UC 286: Engaged Learning Abroad
     - UC 287: Integrative Intercultural Study
     - WOMENSTD 350: Nonprofit Management, Community Engagement, and Feminist Practice
     - ALA 221: Addressing Critical Global Issues
     - ALA 228/SOC 375: Intergroup Conflict and Coexistence
     - ALA 276: Student Leadership in Global Contexts
     - ALA 326: IGR Global Course Connection
ELI 390/EDUC 390/LING 390/RCSSCI 390: Community-Engaged Learning in ESL Teaching Contexts
NURSING 421: Perspectives in Global Health
AMCULT 361/EDUC 395/ELI 395/LATINOAM 361/LING 391/RCSSCI 395: Principles and Practices of Teaching ESL in Migrant Communities
ANTHRCUL 222: The Comparative Study of Cultures
WOMENSTD 250: Race, Gender, and the Nation
ARTDES 200: Social Spaces: the role of artists, designers, and citizens
SOC 303/AAS 303: Race and Ethnic Relations
SOC 225: Practicum in Sociology: Project Community

• Take two other courses from our list of over 140 approved courses [71]

The Minor in Intergroup Relations Education [72], with a globally-focused LSA elective course, will also fulfill the Intercultural Competence Requirement.

4. Leadership: For this requirement, students must complete the following:

• Have your resume critiqued by someone at the University Career Center [73] or a PC Recruiter. Students may also work within the career centers in the individual schools and colleges across campus.
  ⊳ You will need to have documentation [74] signed by an advisor once your resume has been reviewed.
• Attend a workshop or class on interview skills at the University Career Center. The University Career Center has a number of online resources available through their website [73].
• Develop at least one significant leadership experience and be prepared to discuss it thoughtfully. For example, organizing a campus event, leading a work or volunteer project, serving on an advisory board or committee within a specific school or college, or serving on the executive board of a student organization would fulfill this requirement. Some opportunities include:
  ⊳ Get involved with a student organization which can be found on Maize pages [75].
  ⊳ Become a member of the Student Advisory Group on Engagement [76] (SAGE) through CEAL [77].
  ⊳ Participate in Leadershape [78].
  ⊳ Join Leadership Connection [79], a week-long program for student organization development.
  ⊳ Attend the Intercultural Leadership Seminar [80] (ILS) to learn how to be more effective in a global environment.
  ⊳ Additional information about leadership opportunities at U-M is available through the Center for Campus Involvement [81].
• Check out the new M-Lead website [82], which aims to centralize information about leadership opportunities and programs offered to students at U-M.
