Personal Safety in Ann Arbor

**Location:**
International Center

**Room:**
Conference Room

**Description:** Many people wonder about safety in Ann Arbor. Ann Arbor does not have a high crime rate, but it is still important to know how to protect your own safety and how to keep your property (electronics, bicycles, etc.) safe and secure. We’ll also talk about campus safety resources and where to go for more information and help.

This event is cosponsored by the International Center and Division of Public Safety and Security ([DPSS](https://www.dpss.umich.edu/)).
